

Lacing

To help the child begin the basics of sewing, the teachers gave them the opportunity to work with lacing cards. The teachers talked to the children about how when we sew fabric together, we have to sew in and out, up and down. Many of the children worked for long periods of time to sew all the way around the cards.

Standards

- Coordinates use of hands/fingers/wrist.
- Uses tools independently.
- Seeks new and varied experiences.
- Asks questions to seek explanations.
- Carries out tasks from beginning to end.
