

“A Star!” (16)

I have 2 strong hands to help me.

(Hold handmade stars in hands and stretch arms to each side)

I have 2 strong feet to guide me.

(Move feet apart to straddle legs wide)

And wide light all around me.

(Circle arms to the floor and then over the head)

What am I? A star!

(Bring arms back to outstretched position and shake paper stars in your hands.)
