

## **“Night Stars” (17)**

**At night I see the twinkling stars,**  
*(Shake the paper stars in your hands)*

**and a great big shining moon.**  
*(Hold hands up above head)*

**My mommy tucks me into bed,**  
*(lay the hand holding the star in your cupped hand)*

**and sings a good night tune.**  
*(Rocking motions with hands)*

*For younger infants and less mobile children, place your hands gently over the child's hands to act out the finger play.*
