

Rolling (18)

**Refrain: Rolling, rolling, fast or slow,
many things can roll and roll,**
(toddlers and babies make rolling motion with arms)

**Wheels on a car roll down the road,
with a vroom, vroom, vroom, and a vroom, vroom, vroom,**
Toddlers: simulate driving a car around the room
Babies: have babies arms make driving motion

Refrain

**Balls can roll fast or slow,
rolling, rolling, here they go...**
Toddlers: walk around while making a rolling motion with arms
Babies: Mothers or teacher will have a ball for each baby and hold the baby's hand on
the ball while rolling it around underneath their hand)

Refrain

**Bicycles roll down the road,
rolling, rolling, fast or slow,**
Toddlers: simulate a bicycle motion with legs while sitting down
Babies: Use arms to make a rolling motion

Refrain

**Trucks can roll, down the road,
using their wheels to carry a load,**
Toddlers: simulate carrying a big load on your back as you walk around
Babies: either babies can be guided to simulate the rolling motion with their arms or
each parent can be given a small truck to roll in front of the baby and roll the truck in
front of the baby.
