

The Voyagers each created their recipe for Trail Mix using ingredients provided by parents. They decided which of the ingredients and how much of each they wanted to include. They were limited on the amount of each item to ensure that all children could make their recipe.

The following academic content standards were introduced:

- Understand the meaning of new words from context of conversations, the use of pictures that accompany text or the use of concrete objects.
- Follow simple oral directions.
- Speak clearly to express ideas, feelings and needs.
- Count to 10 in the context of daily activities.
- Measure volume using standard units of measure.
- Identify intended purpose for familiar tools.
- Use one or more senses to observe and learn about objects.
- Understand how sharing classroom materials will meet everyone's wants
- Obtain things they want in socially acceptable ways.
- Demonstrate ability to make independent choices and follow through on plans.
